Read Me First

Thank you for taking time to review the the I-5 Corridor Reinforcement Project Final EIS. The information below is provided to help you find the files for your review.

Reading the EIS on Compact Disc

The Final EIS is divided into several folders on the CD. As you open the CD, you will find a list of the folders as shown below:

Name	Type	Date modified
FEIS Volume 1	File folder	1/8/2016 4:05 PM
FEIS Volume 2	File folder	1/8/2016 4:06 PM
FEIS Volume 3	File folder	1/8/2016 8:18 AM
FEIS_Appendices	File folder	11/24/2015 12:57 PM
ReadMeFirst_FEIS.pdf	Adobe Acrobat D...	1/11/2016 9:05 AM

To open a folder and see the files contained within it, double click on the folder.

For example, when you click on the FEIS Volume 1 folder, you will see a list containing the Cover, Abstract, Notes to Readers, Perforated Icons, Table of Contents, and all chapters in that volume. Files are listed in the order they appear in the hard copy version of the document. Double click on the specific file you wish to view.
